We were waiting for four years now and everybody simply freaked out
This derpy-faced gigantic being presents you season two
So put your boots and red scarf on, girl – Mikasa powns this greyscaled odd world
You'll also see the awesome Levi who's kickin' mighty ass

Don't you think a tiny Titan would be cute?
Look how Eren's blushing as he's lovingly embraced
How's that front-row kid so joyful of a Titan's face?
Wow, that's bright, please give us some equipment shots

Can't they clean the camera lense when it's covered in those blood stains?
Minor question just before the chorus starts:
Does leaping off a wall seem crazy?

A dinosaur! A dinosaur! This intro needs a frickin' dinosaur!
So every being owns a heart? That's why a T. rex walk could prove quite smart
An elephant? A flying whale? Give me what those guys inhaled!
You might still wonder what I spout – You are about to find it out ...
